

The Commonwealth NDC Webinar Series

The Commonwealth Secretariat in collaboration with the NDC Partnership are hosting this webinar series to highlight how particular interventions across the various stages of accessing and deploying climate finance can support NDC implementation.

This webinar series draws from the experiences of the Commonwealth Climate Finance Access Hub (CCFAH) in delivering the Climate Action Enhancement Package (CAEP) and wider NDC related work with the aim of replicating and scaling up of innovative and successful climate action projects and initiatives across countries and regions.
