

Commonwealth Anti-Corruption Benchmarks

AN OVERVIEW OF THE AUDIT AND IMPLEMENTATION PROCESS

(See *Audit and Implementation Roadmap* for full details)

Preparatory steps

1. Appoint the Benchmark (BM) co-ordinating body.
2. Appoint a manager of co-ordinating body as BM co-ordinator.
3. Identify the implementing public sector organisations.
4. Appoint the compliance manager of each implementing organisation.

Initial audit

5. Assign audit responsibilities to implementing organisations and BM coordinator.
6. Audit each implementing organisation to assess existing compliance with BMs.
7. Review audit checklists and conduct sample audits of checklists.
8. Identify improvements to be implemented to achieve compliance with BMs.

Implementation

9. Assign implementation responsibilities to implementing organisations and BM co-ordinator.
10. Implement identified improvements.
11. Review implementation checklists and conduct sample audits of checklists.

Repeat the audit and implementation process on a regular basis
