# INTERNATIONAL FINANCE OPPORTUNITIES: GAPS AND NEEDS FOR OCEAN-BASED CLIMATE ACTION TOWARDS IMPLEMENTING SDG14.3

 PACIFIC PAVILION  Wednesday 9th Nov 2022  4:00-5:00pm Egypt Time

There is increasing urgency that nations reduce GHG and carbon emissions and support ongoing efforts to implement SDG 14.3, “to minimize and address impacts of ocean acidification.” This event will highlight the science, policy, vulnerability assessment tools and funding mechanisms that are needed to achieve this step change.
