Unlocking Climate Finance – Perspectives from Small and Other Vulnerable States

10 December 2019, 11:30 – 13:00
Room 3, IFEMA Convention Centre

The Commonwealth Secretariat and its partners will share their experiences in accessing climate finance from around the globe, focusing on the challenges faced by small and vulnerable states. The event will also share some of the best practices from a range of stakeholders involved in the Commonwealth Climate Finance Access Hub, and look at the Commonwealth Secretariat's work on ocean action, land degradation and desertification, resilience building, sustainable energy transition and regenerative development.
